3. Briefly explain your project idea and your plan to implement it:

The Tower of the Jaffrey Meetinghouse needs some wood restoration on an upper stage, restoration & re-gilding of the four clock faces and complete preparation of wood surfaces for exterior painting followed by painting. The south facade of the Meetinghouse will also be prepared and painted. Scaffolding is proposed to be employed and work is planned to occur during the month of September, 2020. Total project cost, which is yet to be determined, could approach $100,000. LCHIP support will be sought as well as private donations and support from Town trust
