Subject: Congratulations on your Moose Plate Grant!
Date: September 18, 2020 at 3:15 PM
To: rob@rs41.org

AD

Dear Rob,

I am pleased to let you know that your application for a Conservation License Plate "Moose Plate" grant from the Division of Historical Resources has been selected for funding. I will soon be preparing the grant agreement paperwork and will be emailing you a packet of information. If your grant is for $10,000, there is still one more step, which is for the executed grant agreement to go before the Governor & Executive Council for approval.

If your grant is for less than $10,000, but your intent is to begin the proposed work before the end of 2020, please let me know so I can prioritize the preparation of the grant paperwork so you can begin your work and get the first grant disbursement quickly.

I look forward to working with you,

Amy Dixon

Community Preservation Coordinator
