Thanks for the quick reply, Rob. I appreciate it. The first $5,000 of the Moose Plate grant was paid in December 2020. The second half will be paid upon completion of the project.

Glad to hear the project is moving along. No formal report is necessary at this time.

With thanks,
Amy

Hi Amy,

Before I forget, please change my e-address to this one, i.e. rob@rs41.org

Regarding the Meetinghouse Tower project, we had expected to commence construction last Fall but the contractor (Bradley Davis) chose to do the work this Spring.

I met with him at the Meetinghouse last week on the 8th along with his sub-contractors. Depending on the weather, he plans to start work before the end of March. And he intends to have the work completed before the 4th of July, 2022.

The project was put out to bid on June 28, 2021, with the opening on August 20, 2022. There was one bid (Davis Construction) for a total of $159,850. You can see our Fundraising record at http://www.rs41.org/Meetinghouse/tower%20fundraising.htm

Full information on the project may be found at http://www.rs41.org/Meetinghouse/tower.htm

If you need further information, please let me know.

Just so I know what to expect, when are we likely to receive our Mooseplate grant payment? (We have received the first payment from LCHIP.) Is there a more formal report that I need to prepare?

Regards

Regards,

Rob

Dear Rob,

I hope this finds you well. I'm hoping you can please provide a brief update on the status of the town's 2020 Moose Plate grant for repairs to the meetinghouse tower at your earliest convenience.

With thanks,
