

MARY BUXTON CHURCH SCHOLARSHIP PROGRAM REPORT AUGUST 20, 2022

As you know I serve as Chair of the scholarship committee and have done so for the last 9 years. Helping me with this effort are the scholarship committee's members:

Barbara Buxton Boisse and Barbara Buxton Bradney,

While I serve as the primary contact and administrator of the program, the committee members review, comment and advise on the qualifications of the applications to ensure compliance with the scholarship guidelines. I am grateful for their continued support and dedication to this program.

On behalf of the committee, I'm pleased to provide our annual report and recommendations.

APPLICANTS

We had three applicants for scholarships this year. They are:

Jonas Bradney
Alex Buxton
Marcia Kays

Jonas Bradney is from Plattsmouth, Nebraska. Jonas will be attending Grand Canyon University and majoring in Business.

Alex Buxton is from Fairbury, Nebraska. Alex plans to attend the University of Nebraska at Omaha and will be studying pre-optometry.

And

Marcina Kays is from Cleveland, Tennessee. Marcina is attending Cleveland State Community College and majoring in Engineering Systems Technology – Drafting and Design.

The scholarship committee reviewed the application materials for each applicant. All applicants complied with the scholarship guidelines in effect to date and demonstrated their relationship to Anthony Buxton, the Pioneer.

We recommend approval and ask that you vote in favor of a scholarship award.

Thank you –

One last bit of business:

As of this spring and through your generosity 129 scholars have been helped with a Buxton Family Association scholarship.

I hope you will continue to support this valuable program by donating today or sending a check to the Buxton Family Association c/o Joyce Buxton Blythe.

And if anyone needs an application for the 2023 awards, please see me.
