Hi, Rob,

Good chatting with you earlier today. Thanks for submitting your revised Final Documentation Follow Up. I appreciate your making the requested changes to the final budget worksheet and sending along your current certificate of insurance.

As we discussed, I am attaching your draft Stewardship Agreement Amendment.

Information related to your project is in red – the name of your organization, the amount of the grant, the location of your resource, the name of your county, the scope of work, the legal description of the property, etc.

Please read the document carefully, and let me know if you have any questions, comments, or concerns.

If this meets with your approval, I will convert red ink to black, delete the “DRAFT” watermark, and email a PDF of it to you, so that you can print it out and an authorized representative of your organization can sign it in the presence of a notary. Then you will mail it back to LCHIP, and LCHIP’s executive director will sign it in the presence of a notary, and we will record it at your county’s Registry of Deeds.

Thanks very much –

George

Hi George,
I have finally addressed your comments below and have updated the Final Documentation.
Please let me know if this completes what you need from me.
Sorry this is a tardy response: I was away for a month and then have been ill.
Regards,
Rob
