Hello,

Attached is the Mid-Point Review on the Meetinghouse Tower Project, as requested by LCHIP.

The LCHIP Site Visit scheduled for June 14th was cancelled because of a Covid situation. It will be re-scheduled but has yet to be.

Please look at the report and send me any corrections or omissions. Brad & Mike are the best ones to comment and suggest changes.

The report has been uploaded to LCHIP. It apparently has no form for this report or specific guidelines so it may come back asking for additional information.

Regards,

Rob
