Good morning all,

I had a conversation with Bradley Davis. He states that he is available on September 7th at 2pm or 3pm to review scope and schedule.

Kind regards,

Hi Michael,

I met with Jon Frederick and Todd Croteau today and Todd will contact Brad and see about a meeting to talk about the project.

The dates mentioned were

Friday 3 September in the AM
Tuesday 7 September. Anytime

Do either of these work for you?

Question: LCHIP pays half of the project cost. Will they pay 1/2 of the contract price (\$159,850) or only 1/2 of our estimated cost (\$137,000)?

Also, does LCHIP have to review/approve the contract?

Regards,

Rnh
