Good morning, Rob –

I combined the PDF files for the final Baseline Documentation Report & have uploaded it to the appropriate field on the grant site. When you have a moment, please log on to the site to review it. It then looks like you just need to answer ‘yes’ or ‘no’ in regards to if an LCHIP plaque has been received.

Once you have done those two things, please hit the blue ‘Submit Follow up’ located at the bottom, right-hand corner of your screen. As soon as you submit, George is notified that the documents are ready for LCHIP review.

Please let me know if you have any questions.

Sincerely,
Katie

Subject: LCHIP Final Report - Jaffrey Meetinghouse Tower project

Hello Katie,

The Documentation of Final Expenses and the Stewardship Plan have just been uploaded to the website.

This completes our submission of the Final Report on this project.

Regards,

Rob
