CATHEDRAL OF THE PINES • RINDGE

Jaffrey Historical Society Annual Meeting

Searching for a safe outdoor meeting location with seating for 50 people led us to a local historic memorial, the **Cathedral of the Pines** in Rindge. Brief reports and updates, election of officers, and following the meeting a guided history of the Cathedral by Bruce Hill.

The meeting will be held outdoors in the Sanctuary; inside Hilltop House if rain.

Seating is arranged for proper distancing and face masks are required in both venues.

Out of an abundance of caution we will not have our usual refreshments.

If you would like assistance moving from the parking lot to the Sanctuary we can help.

Please call our voice mail in advance (603)
