Jaffrey Civic Center

“The mission of the Jaffrey Civic Center is to provide and sustain a public venue where residents and visitors to the Monadnock region can pursue artistic, educational and civic activities. The Center’s goal is to contribute to the cultural enrichment and enlightenment of the community.”

The Jaffrey Civic Center was founded in 1966 by Marion Mack Johnson, a local teacher who dedicated her life to helping others. The organization has historically been an important part of the town offering free art exhibits and openings at our 3 galleries, art and education classes to children and adults in the area, and meeting space to over 40 organizations a year. We sponsor many community events throughout the year, in addition to fundraisers which maintain our operating budget.

Accomplishments from 2018

- Completed our fundraising goal for the lift.
- Increased revenues from new art classes for both home schoolers/afterschool children and adults.
- Created new collaborations with Conant HS Interact club to increase the participation of young people in the community.
- Completed transition to new website and increased marketing and social media presence.

Our goals for 2019

- Increase visibility and revenue through additional programming and classes.
- Make essential compliance repairs and upgrades to the building and facilities.
- Increase fundraising efforts and grant income.
- Create an external Endowment Fund for the JCC.
